## Week 4 Learning From Home Update

Dear Parents/Carers

I hope you and your families are safe and well.

In the last few days, our school has seen an increase in students attending school and we have attendance levels that are above other schools in Sydney.

I want to remind all our families that there is minimal supervision on site at our school for those students who cannot be educated at home, for example if their parent or carer is an essential worker. All students and families will be supported with learning from home materials and resources.

If you are working from home, and your child is able to be educated from home, please keep them at home.

I want to thank all the families who have continued to support our community by keeping their children at home to minimise movement in the community. Please contact your child's teacher to discuss any additional needs for your child or family to support you to continue learning from home.

Thank you for your ongoing support.
