

Uniform Size Charts

To ensure your garments are sized accurately, please use the following size charts as a guide to our sizing. Generally, since our sizes comply with those set by Australian Standards, you will find that PSW sizes coincide with those bought elsewhere. You will find that the size of our garments is quite generous particularly T-shirts. Skorts are a smaller fit.

For accurate sizing, please follow these guidelines

Height

Measure your child without shoes, feet together and back to the wall. Take measure from the floor to top of the head.

Chest

Place the tape measure under your child's arms and around the fullest part of his or her chest. Tape should be firm.

Waist

Measure your child at their natural waistline (which is the narrowest part of the waist.)
