

Concord West Public School

UNIFORM REQUIREMENTS

A uniform shop operates at the school most Monday mornings (9.00-9.30) and Wednesday afternoons (2.55-3.25). Volunteers run this shop and uniforms can be ordered and paid for with a credit card. Second hand uniforms are also sold. Orders may also be made through the school office using the order form, downloadable from the school website - items will be delivered to your child's classroom. Hats and excursion bags are always available through the school office. Labels are also sold at the Uniform Shop and parents are requested to label ALL clothing. Children misplace clothing and items with names are easier to identify and return to the owner.
