#### **Where is my Child's Teacher**

Where are teachers when they are not in the classroom?

Parents may sometimes wonder where their child's teacher is, if they are not on class. Children often take this news home to parents. Many things could be happening. Teachers could be:

- having their weekly release from face-to-face teaching (they are entitled to 2 hours).
- involved in professional learning off site or on site.
- completing executive duties.
- mentoring or coaching other teachers.
- on leave e.g. sick, family or emergency leave – this is confidential and only the teacher can share this information.

When teachers know they will be absent they plan for this time, ensuring their class timetable is adhered to where possible. Your children are offered a rich, ever-changing curriculum, based on the most recent teaching documents and the most recent research. Our teachers focus on the needs of EVERY student under their care.

#### **Selective High School Test**

Due to the impact of the floods on many schools in NSW, the Selective High School Test has been postponed to Thursday 31 March. All registered students will sit this test at school. We wish each student participating all the best.

#### **Parent/Teacher Meetings**

You will have the opportunity to book in a time with your child's teacher to discuss your child's academic and social progress in Term 1. This year, we are offering either phone, Zoom or face to face meetings. Please keep your eyes out for the letter sent out this week.

## PSSA Sport

For the first time in a month, we were able to enjoy some games of Summer PSSA. It was a successful day for all of our T-Ball and Softball teams, winning their games against Strathfield North PS. Girls T-Ball won 15-8, Boys T-Ball won a close game 10-8 and Mixed Softball won another close one 12-8. Our cricket teams faced off against Homebush, with the Juniors losing a very tight game by 4 runs and the Seniors making huge strides from their first game, but losing narrowly. Over the next two Fridays we will be holding Winter PSSA trials at school. Year 3 and Year 4 students can trial for Junior Boys and Girls Soccer as well as Mixed Netball. Year 5 and Year 6 students can try out for Senior Boys and Girls Soccer and Mixed Netball.

- Mr Sean Craft , PSSA Coordinator

## Korean Online Exchange Program in 2022

We are continuing an initiative this year, linking with a school in Korea, to provide wonderful opportunities for our Korean Intensive students. We had our first online exchange lesson last Thursday with 14 Intensive Korean senior students from Concord West Public School and 27 students from Won-Myung Public School in Seoul, Korea. Korean intensive students from Concord West Public School practised their Korean and the students in Korea practiced their English. The students were so thrilled with the lesson. More lessons are planned between now and the end of the year.

- Miss Kim, Korean Community Language Teacher

### What is happening at school?

On Tuesday 22nd March, students will be offered activities to do in class relating to multiculturalism, diversity and harmony. Here are some other things happening which are **optional**:

- **Wear something orange (gold coin donation):** Students are invited to wear orange to represent Harmony Day, such as an orange t-shirt, socks, ribbon or wristband. Traditionally, orange signifies social communication and meaningful conversations. It also relates to the freedom of ideas and encouragement of mutual respect. Australians can choose to wear something orange to show their support for cultural diversity and an inclusive Australia.
- The canteen will also be selling special orange food on the day:
  - Orange fruity ice - 60c
  - Frozen orange - \$1
  - Carrot sticks - \$1
  - Orange jelly - \$1.60
  - Orange juice - \$2
  - Butter chicken - \$3

All donations are going towards flood relief to support people affected by widespread flooding across New South Wales.

We look forward to celebrating this special day with our students next week and we hope the day will also provide a good opportunity for families to talk about cultural diversity and harmony. We are proud to have such a multicultural school with so many different traditions, beliefs, languages and cultures and we strive to build a community of friendship and peace.

## All things swimming

by Mrs Waugh

Despite having to reschedule because of the extremely wet weather, we were finally able to hold a successful swimming carnival at Enfield Aquatic Centre on Monday, 7 March. Our swimmers demonstrated many wonderful skills both in and out of the water, most notably their beautiful sportsmanship and encouragement of each other. It was a very successful morning due to the excellent listening and participation of all swimmers.

Three days later on Thursday, 10 March a team of 16 swimmers backed up to represent CWPS at the Western Suburbs Zone Carnival at Auburn Swim Centre. Mrs Eadie accompanied us as Team Manager and was extremely impressed with the behaviour and attentive listening from all of our swim team. Although we had a chilly start, Concord West swimmers were hot in the pool with some personal and team highlights. Nicole H, Thomas M and Chloe K all went on to represent our school and zone in individual events at the South East Regional Swimming Carnival at Sydney Olympic Park on Monday 14 March along with our junior girls relay team of Nicole H, Chloe K, Elena B and Sienna A.

Congratulations to all our wonderful 2022 swimmers!

## The Latest News From The Concord West News Crew

This year we would like to introduce our School Leaders, House Captains, as well as ICT, Audio, Environment, Communications and Music Teams. They are great teams and will change our school to make it a better place to learn and play.

We believe that it is good to have school leaders, as they are role models for our younger students, creative, motivated and hard working. Our leaders lead by example and help everyone to feel like they fit into our community.

Congratulations to all of our Year 6 students for their great achievement.  
That's all for now, until next time.

# Compulsory School Attendance

## Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

### What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The *Education Act 1990* requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and Educational Standards for homeschooling.

Once enrolled, children are required to attend school each day it is open for students.

### The importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

### What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

### Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An *Application for Extended Leave* may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

### **My child won't go to school. What should I do?**

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

### **What might happen if my child continues to have unacceptable absences?**

It is important to understand that the Department of Education and Communities may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department

may apply to the Children's Court for a *Compulsory Schooling Order*. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

### **What age can my child leave school?**

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

### **Working in Partnership**

The Department of Education and Communities recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

**If a student misses as little as 8 days in a school term, by the end of primary school they'll have missed over a year of school.**

Further information regarding school attendance can be obtained from the following websites:

#### **Policy, information and brochures:**

Please visit the Department of Education's *Policy library*.
