Term 1 | Issue 5 | Monday 4th April 2022

Principal's Message

Welcome to week 11. It is hard to believe that we are already in our final week of Term 1!

Congratulations to the entire school community for an outstanding commitment in Term 1. A huge thank you to all staff who have continued to develop their skills & knowledge through rigorous professional learning programs. You have continued to help students learn before, during and after COVID-19 restrictions. Thank you for the passion, enthusiasm, and unwavering commitment you demonstrate on a daily basis.

Thank you to the super, efficient administration staff for their daily organisational practices. Effective communication with our school community plays a vital role, especially now. The daily notes, messages, newsletters, phone calls, emails and letters sent out, keep our school community well informed.

Our parental support continues to have a profound effect on student learning outcomes. Whether the support involves assisting your child with their schoolwork at home, assisting in classrooms, attending meetings and P&C meetings, all support and involvement has an immeasurable positive effect.

Change of School Hours

A reminder commencing Term 2, our school hours will be 9.00am – 3.00pm. Further details about break times, before and after school activities and office hours will be provided by the end of the week.

Parking Safely Around School

When it comes to the safety of our children, it is important that as adults, we are setting good examples. I want to remind you that it is illegal to park across driveways; in No Stopping Zones and No Parking Zones. Attached to this newsletter are the road rules relating to parking safely around school. As you can see there are considerable fines and demerit points when not followed. Please assist us in keeping our children safe and our community happy.

Share Our Space

Our school will be participating in the Share Our Space program during these Autumn holidays. Our school's outdoor facilities will be open between 8am to 5pm each day. Please watch this short [video](#) and read attachment for more information.

Attendance

Every day counts! Regular attendance at school is essential to assist students to maximise their potential. Students are required to attend school each day it is open, unless they are unwell. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

You can help foster positive attendance habits by:

- helping your child learn the importance of punctuality and routine
- ensuring your child arrives on time from the start of the school day, ready to participate in learning
- reducing disruption to learning where possible, by planning any necessary appointments outside of school time
- promptly communicating any absence to the school (within 7 days of the first day of any absence)
- working with the school to encourage and support regular attendance.

In partnership with you, schools also have a responsibility in promoting regular attendance. We can support your child's attendance by:

- monitoring each student's attendance and absences
- following up on absences and attendance concerns
- communicating with families after consecutive absences.

Please understand that teachers have a responsibility to connect with their students and their families if they are not attending school.

With international borders now open, it is expected that some families will be travelling to visit relatives and friends. It is strongly recommended that families travel during school holidays so learning is not disrupted. However, if you plan to travel outside the school holidays, please inform your child's teacher in advance. An '*Application for Extended Leave*' form needs to be completed and approved prior to the trip. This can be downloaded from the [school website forms page](#).

I congratulate our community for the ability to remain agile as we navigate around illnesses, school interruptions and staff shortages. We thank you for trusting us with the education and care of your children during the term. I look forward to reconnecting with Concord West at the beginning of Term 2 and wish you all a very safe Autumn break.

Ms Monica Marchiello
Principal

Reminder to parents – please wash and return any clothes/shoes/socks lent to children who have required a change of clothes while at school.

The office keeps a small number of clean second-hand items on hand for students requiring a change of clothes, so we appreciate you washing and returning any lent items promptly please.

It is recommended that K-1 students also keep a change of clothes/spare uniform in their bag—just in case :) Thank you

Book Week Competition

Last year during online learning, our school had a competition for Book Week. One of our winners was Molly M in Stage 3, who created a stunning artwork called "Night in the Library".

Molly said, *'I love to read because it transports you into other worlds, and I feel connected with the many different amazing characters in literature.'*

We have now framed a copy of her artwork which will soon be displayed in our library.

Harmony Day

Last Tuesday 22nd March our school celebrated Harmony Day. This was a day to celebrate Australian multiculturalism, diversity and promote peace in our school. The message for Harmony Day is 'everyone belongs'. Classes had different activities to learn about inclusiveness, respect and belonging for all Australians, regardless of a person's culture or language.

It was wonderful to see so many students wearing orange at school! Thank you to everyone who made a donation. We are very pleased to announce that we raised \$328.90, which will be donated to the charity [GIVIT](#) to support people affected by floods in Queensland and New South Wales.

Thank you also to everyone who contributed to our [Belonging Wall](#) and interactive [World Map](#). Families are welcome to add to these :)

There is also still time for students to take part in a [poster and song writing competition](#) organised by the charity 'Moving Forward Together'. Applications close 16th April and there are prizes!

- Ms Yasugi
Harmony Day Coordinator

This year over 130 students including 78 Early Stage 1, 37 Korean Intensive and 15 stage 1 & 2 New Arrival Program & EAL/D students are on their learning journey with Miss Kim.

Each of these students is unique and together we are beautiful and strong.
Happy Harmony day!

Compulsory school attendance

Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my Legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age of 17 years. The Education Act 1990 requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the NSW Education and Standards Authority for home schooling.

Once enrolled, children are required to attend school each day it is open for students.

The Importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An Application for Extended Leave may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

My child won't go to school what should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department may apply to the Children's Court for a Compulsory Schooling Order. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

Working in Partnership

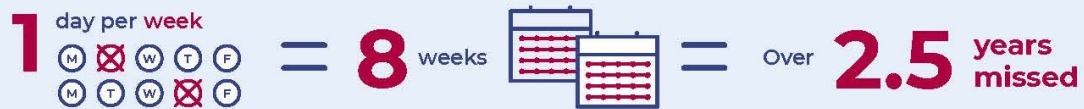

The NSW Department of Education recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just... they miss weeks per year and years over their school life

- ▶ At a children's crossing you must stop at or before the stop line if there is a pedestrian about to cross or already on the crossing.
- ▶ Do not proceed through a children's crossing until all pedestrians have completely cleared the crossing.

FINE EXCEEDS \$561 + 4 DEMERIT POINTS
