## **Check-in Assessment 2022**

Dear Parents and Carers

Year 4 and 6 students will participate in a reading and numeracy Check-in assessment this week.

The assessments are scheduled for:

**Year 6:** Wednesday 30th March

**Year 4:** Thursday 31st March

The Check-in assessment is a NSW Department of Education online reading and numeracy assessment available to support schools to assess and monitor student learning. The assessments supplement existing school practices to identify how students are performing and to help teachers tailor their teaching more specifically to student needs. During the test students with learning and support needs will receive the same level of support that they would normally receive in the classroom.

### **Headphones:**

Students are asked to bring headphones or earbuds that plug into a computer to enable them to hear audio during the assessment. The type of computer connection needed is a headphone jack (not a USB or wifi connection). If students are unable to bring headphones or earbuds, we have a small amount to loan.

Yours Sincerely

David Macfarlane  
Assistant Principal
