A few points to mention early:

Drop off has returned to the usual time of 9.25am. The students are asked to leave their bags outside their classroom until class commences at 9.25am. Collection for your child in the afternoon is once again at the classroom door at 3.25pm. Please be prompt when collecting your child as teachers have many meetings in the afternoon and their prompt attendance is important. Please call and leave a message with the office if you are running unexpectedly late.

Thank you for attending our Stage One parent information session yesterday. We hope it was informative and a helpful start to the new school year. If you were unable to attend our ZOOM meeting, we have attached the slide show presentation. Or alternatively you can always contact the school with any questions or concerns.

Also, please feel most welcome to communicate with me about your child's progress- all immediate or urgent messages can be emailed to the school and forwarded to me. If you require a long talk please give me notice in writing and we'll make a suitable time convenient for us both.
