

Stage One Overview Term 2, 2022

Welcome

Welcome back to Term 2! Our Stage One students have settled back in to classroom routines and are enjoying their new learning for the term. We look forward to welcoming parents into the school for assemblies and school events. Please check the Skoolbag App regularly for information and events.

Weekly Events

This term students will participate in weekly music, Italian, Korean, social skills and library lessons. They will also participate in sports lessons run by SISA (Sport In Schools Australia) each Wednesday. Scripture will be every Tuesday from Week 4.

	Music	Library	Italian	Korean
1P	Monday	Monday	Thursday	Tuesday and Friday
1G	Friday	Monday	Tuesday	Tuesday and Friday
2M	Monday	Monday	Thursday	Tuesday and Friday
2K	Monday	Monday	Tuesday	Tuesday and Friday

Homework

Homework will continue in the same manner as last term. Students in Year 1 and 2 should spend no more than 15 minutes per night on their homework. This includes reading time. Your child's teacher has provided a grid of several activities for your child to complete. Please note that the school's homework policy states that homework is not compulsory. It is optional but we highly recommend encouraging and fostering reading for enjoyment.

Term 2 Learning Overview

English

Year 1 - The trial of the new English and Mathematics syllabus content will continue to be a focus for our students in Year 1.

Foundational skills for English include: oral language, phonic knowledge, reading fluency, reading comprehension, handwriting spelling and creating texts.

Year 2 - The students will read more complex texts independently and continue to develop further skills in writing. The focus of narrative structures will explore the development of characters, settings and problems. Speaking & listening activities will continue to develop confidence and communication skills.

Mathematics

Students will be developing skills in working mathematically and continue to develop effective early numeracy strategies and understandings. Our topics for Term 2 are:

Fractions and Decimals	Whole Number	Length
Multiplication and Division	Addition and Subtraction	Area

Other Key Learning Areas

Geography: Students will be learning about people and places and how people care for the places in the environment. Students will learn about the natural, managed and constructed features of places. They will observe, identify and describe these features within their school and in the local community.

Creative Arts: Students will continue to develop their use of different artistic techniques during art lessons. Elements of drama will be taught to help develop their understanding of stories and participation in role-play activities.

Personal Development: Students will participate in Child Protection lessons and will be able to recognise and describe strategies people can use to feel comfortable, resilient and safe in situations.

Physical Education: Students will participate in the SISA program as well as class fitness activities. SISA offers students the opportunity to engage in athletics, gymnastics, sport development and well-being and social skills activities.
