

16th November 2022

## CWPS TALENT QUEST

Dear Parents and Carers,

In Week 10, **Wednesday 14th December 2022**, we will host an end of year **Talent Quest** to give students a chance to showcase their unique skills and talents. The performances will be held in K-2 and 3-6 groups across the day. Children are welcome to sing, dance, play an instrument, recite poetry or dramatic monologues, including jokes or magic acts. All performances are strictly limited to 3 minutes. Students can perform solo or collaborate with peers. All students who receive performing arts tuition outside of school hours are strongly encouraged to participate.

If your child would like to join the fun, they can pick up an audition form from their classroom teacher. Please complete the form with your child, as it is important that parents are familiar with their child's performance and are able to support them to prepare at home. Time will not be allocated at school for preparation. **All audition forms should be returned by Week 7, Friday 25th November.** Mr Wallace has offered to source the radio version of any song that students require if listed on the audition form.

Auditions will be conducted during lunch time in Week 8 to ensure all acts are engaging and appropriate. Students will only be required to perform informally for 1-2 mins and discuss their ideas for the performance with a teacher. Times and locations will be coordinated by stage representatives and communicated to students in advance.

We are looking forward to the *best quest in the west!*

Yours Sincerely

David Macfarlane  
Assistant Principal

Monica Marchiello  
Principal
